A PHASE OF VILLACE LIFE. A TALE OF CYNTHELNA

WRITTEN FOR THE TYNTH LAR NEWS BY HARRY HAT WASHL.

CONTINUED.

CHAPTER THEED.

"Wed, I'll be sworn!" exel timed 10 con Jones, one merning about a ye ofter young Wickliffe ked left tie vill. "it yonder ain't Major Grahame's boy a ridin' like mad, to the town. Wonder if some of 'em ain't sick! D' you know Hetty?"

This last que tion was directed to hi better half, who, if she dal me know what was the matter at "Valley Parin. it was not because she lucked the resolution of knowing every lang that transpired in the neighbor; od.

The boy alluded to was indeed in search of the old phy. Con who attended some imposing to keep on the marker to Nebra he Demogracy, arrayed them upon the Graham's in the expacity of as it in impaction at their cobstrated an inothinally, against the Republica medical adviser.

a few months.

When Howard first left home, his letters to Katie were long, frequent, and full of all the breathings of a young ardent, imaginative lover. That they were a source of pleasure to Katic, was evidenced by the unwonted light which to a mill-pend by utilitarians, who made sparkled in her eye, and the heightened when perusing the letter's traced by the by erecting a dam near the bed of the blush whick deepened on her cheek, hand of the absent loved one. But in the last three months she had received only two letters from him, and they were shorter, colder, and awoke fears in Katie's mind that his heart had become estranged. In vain did her mother endeavor to dispel such thoughts from her daughter's mind, by saying that as he advanced further in his class, and as his studies grew more difficult and complicated, he was compelled to be more studious, and consequently bad no time at grass, woven in the loom of the same his disposal, as was the case at first, in great manufacturer. which to compose the long, loving letters,

such as she used to receive. Though her mother told Katie this, yet she did not believe it herself, and her pent of sectionalism has had its back daughter saw that she said it only to broken by the recent elections in New comfort her.

and in a wild and picturesque gorge ted in the following editorial in the organ They ment nothing more by it. Trust they have a trip-hammer, driven by a among the lofty hills, stood the hut of an of abolitionism published at Washingold Indian woman, who made preten- ton-the National Era. If he doubts Massachusetts next year will be on the sions of being a looker into the future, that the American party dealt the fatal and prophesying that which was to come blow, here is the evidence of the victim. to pass. Her name was Witchaskie, given in articulo mortis: the "Prophet-wife;" and often were the yi-its paid her by the people of the around. One morning a company of dency," was prepared by a ferend, during young people in the village had planned our temporary absence from the city .her. They came by Valley Farm, and maintained, hat is incidental assumptions in relation to the impotency of

zens in the horder counties in Missouri, endeavor to keep you promptly advis-

THE VERY LATEST! LANE BIDS DEFIANCE!

Independence, Dec. 3, P. M. There is great excitement all through this upper country, and overwhelming numbers are douring in from every direction in the territory to sustain the

Gen. Lans is entronching himself and throwing up breastworks. He is also burning beacon lights, which can be seen twenty-five miles from Lawrence, and bids defiance.

Alarm at Atchison!

LATER ITELLIGENCE FROM KANSAS, Weston, Mo. Dec. 4.

in at Lecompton. He also states that son, stating that one of the leaders of the some of the citizens, and when he found some papers he had with him chewing and swallowing them. He was, however, prevented from doing it, and upon examination the papers were discovered to contain the secrets of the "Mid-Pills that are Pills. night order."

Atchison was to be busned down, and Pat Laughlin, who exposed the secret; Abolition organization, was to be murdered. The citizens ef Atchison had mostly left that place to join Governor Thomas' forces at Lecompton, and there E. Washburn, Governor of Massachusetts. being searcely any arms remaining in W. C. Pinnkett, Lieut, Gov. of Mass. E. Everett, Ex-Sec. of State, and Senator of U.S. the place, they desired a company of R. Winthrop, Ex-Speaker House of Rep. arined men from Weston to help them repulse any attack that might be made the noticeable things on exhibition at the Crys o'clock for atchison,

State of AffairS in Russia.

A St. Petersburg correspondent of the Paris Pays gives a glowing account of the internal condition of the empire.-

Russia is very sick. The most shortsighted cannot but see the evil and the precipice which deepens daily. All men position of the militia has been called feel the want of a speedy peace, but no one dares give utterance to his thoughts

Men and money are not the only things squeezed out of the country; there is not a village from noth to south which has not been compelled to contribute earts, horses, cattle, &c.

The cattle and horses have been eaten or have died of fatigue; most of the carts have been burnt by the army in

ficers of the territory unless it be the hand the grain of last year in their gra-Governor, or to those of the General naries, which they have not been able in This determination is sell, they have not cared to sow. In a strengthened by the course pursued by word, if this state of things lasts two Gen. Lane, and, also, by the editor of years more there will be a famine,

the paper at Lawrence, and a few other men of a similar stripe, who are cantinually and Albany barber, feeling, at the same to the populace on Albany barber, feeling, at the same to the populace on Albany barber, feeling, at the same to the populace on Albany barber, feeling, at the same to the populace on Albany barber, feeling, at the same to the populace of the

How long will Americans permit themselves to be thus domineered over and announced, and a large number of gen- and State council. voted down by foreign intruders.

Who will say that the ignorant masses of Europeans who emigrate to ted to hear songs of mirth and good our shores can in five years become qual- cheer, resound through the spacious diifica to decice upon the proper policy of ning hall, but nothing of that was heard our general and State governments, and all the great questions of foreign and domestic policy which are continually arising? The man who thinks so, it is folly, a waste of words to reason with. He is blinded by devotion to party, and cannot see the superlative absurdity of such an assumption. If he would allow himself to reason and reflect impartially, he would perceive the ridiculous silliness and shallowness of such a doctrine. It delighted and enlightened and when has taken twenty one years to qualify delighted, and enlightened; and when such business as may be brought before every native born citizen to vote. We the clever "limbs of the law" in Harriinsist that it requires just as long, if not son, give another dinner, may we be longer to prepare a foreigner with all there and see. his fereign prejudices and preconceived notions to exercise that high prerogative. Present: But we advance farther and assert that Americans are better fitted to govern America, their own native land, than foreigners ever can be-and we still further assert that none but Americans should be allowed to rule America.

true native born American. We know emigrants landing.) one accosted the Permit me, sir through the columns of to their country, and to the well known it is the sentiment of your heart, if you other withwould but speak it out. None but the t "How are ye the day, Pat?" says Murdemagogue, hungering after office, and phy. who wants foreign votes to elevate him and his party to power, does in his heart just come ashore—"but the say-sickness unauthorized by me, nor need it be exassent to the accursed anti-American I had a kimmin across the wathir, that pected that I would fit any appointment and unpatriotic idea that America should turned me wrong side out, making a so low, so unbecoming, either in a genbe ruled by foreigners.

The Sag Nichts in this county are at their old game of falsely representing that the members of the American party are deserting it, to discourage ye, whin I don't know the parties, sure. the timid. Such assertions are about as true now as they were before the Au- ded Murphy, "we have one Party for the gust election, when they turned out to country, and one against it." be most mendacious and unequivocal and unmistakable falsehoods.

From every part of our country we have the cheering intelligence that the American party stands firm and and into rush again into the fight, and give with which, the one it received last summer, will be but a mere circumstance.-They are proud of their principles, of their party, and of their recent victory. sunk beyond redemption. They have no notion now of surrendering to the enemy. Those who imagine they have, are wofully deceived.

a year, to aid in governing America. - place. Would it not be well to wait until they give some proof of their capacity for self government in their own countris, before we set them to govern us. So far they have shown themselves capable of nothing but cringing and crouching before the Kings, the Nobles and Priests, who trample them under their feet. Let them assert and establish liberty in their own countries before they are invited to become the guardians of ours.

The great American mass meeting at Louisville, last week, was a grand vile and unscrupulous demagagues, It affair. We have heard the number of leaves them to themselves, to repent at strangers, present in the city, on the oc- leisure of their political sins. casion, estimated at twenty thousand .-There were delegations present from many of the Northern, as well as the Southern States. The utmost harmony and enthusiasm prevailed. It was a demonstration of the zeal and determination of the American party throughout the Union. The occasion was a proud terest. To those who have not already day for Kentucky, and the American party. The meeting presented a striking and significant contrast to the meagre and forlorn mass meeting of the Demo- prising fried Wm. Miller. He receives cratic party, at Lexington, a few weeks them fresh every day.

Richelieu—Fail! fuil! in the bright lexicon of youth, which fact reserves for a most glorious in urbon I, there is no such word as fail!

Why should a young man fail! If he be honorable, if he be addent, if he be concretic, if he be addent, if he be concretic, if he be gotted with mental power, if he be right in soul and strength, he should never fail; and if any alluring temptation whisper in his ear words that make him turn aside, let him revert to that bright lexicon and never fail!
